## DISTANCE-DIGITAL TEACHING AND LEARNING IN THE POST-COVID-19 ERA

### Di2Learn Training sessions

During the period December 2022 – February 2023, in partners' countries (Poland, Italy, Cyprus, Spain, Croatia and Romania) took place over 18 trainings for creating Di2Learn Mentors.

Over 112 students, teachers and parents benefited of approx. 50 hrs of training, getting familiarized with the main principles of the Di2LEARN project and developed their competences to make them able to take the role of Di2LEARN MENTORS-AMBASSADORS and guide other teachers in the provision of efficient and high-quality distance learning to school students.

During the period February-March 2023, in partners' countries took place over 25 workshops for increasing the Di2Learn Community

Over 224 students, teachers and parents benefited of the project results and become Ambassadors of the Di2Learn Community, with the purpose to promote distance learning and the modernisation and digital transformation of their work while ensuring access, inclusion and participation of all students in the distance learning process.

### Participants' testimonials

*Excellent design/ visuals of the materials.*

*Informative, interesting, practical workshops.*

*Well-defined objectives.*

*The project offers useful learning platform, videos, podcasts, attractive data designed, access to a strong network.*

*The Di2Learn Academy is meaningful for the purpose to be aware of the importance of distance and digital learning and the necessity to proceed with the modernisation and digital transformation of schools.*

# The final project meeting and conference

23-24 March 2023 - Warsaw, Poland

The two final events offered the opportunity to present at large the results of the Di2Learn project.

The partners of the project validated their success to seek to upgrade teaching, learning and assessment provision by strengthening teachers' profiles to deal with the modernization and digital transformation of formal schooling and empowering students during distance learning!
